

There are six empty ten-frames, each consisting of two rows of five squares.

A 10x10 grid of rectangles, where each rectangle represents a non-zero element in a sparse matrix. The rectangles are of various sizes and are positioned at different coordinates within the grid, indicating the sparsity pattern of the matrix. The rectangles are arranged in a way that suggests a banded or block-like structure, with some elements clustered together and others isolated.

1	2	3	4	5	6	7	8	9	10
