What are the main reasons for migration?

There are many reasons why people migrate. Migration Yorkshire is a charity that has been helping people migrate since 2022. We provide support and advice to people who are migrating. You can contact us at admin@migrationyorkshire.org.uk or call 0113 378 8188.

There are many reasons why people migrate. Some people migrate because they want to live in a different country. Some people migrate because they want to work in a different country. Some people migrate because they want to join family members who are already living in a different country. Some people migrate because they want to escape a difficult situation in their home country.
