VCS engagement day

The VCS Engagement Day was held on 27 November 2024, bringing together people from over 50 organisations around the region.

The resources from the event can be found here. A wealth of information was shared, and we have committed to driving forward a strategy and action plan based on the conversations and outcomes of the event. This will be shared with the wider VCS network in early 2025, along with details of how we can collectively move forward. In the meantime, please don't hesitate to contact us via admin@migrationyorkshire.org.uk if there is anything we can do to support!
