***Everything you need to know about accessing medical services in Yorkshire and Humber region.***

[How to use the National Health Service \(NHS\) - video in Cantonese](#)

There are some good resources in Traditional Chinese, including the “Looking After Your Health” leaflet published by the [North East Hongkongers Club](#), and [a guide to the NHS](#) published by Doctors of the World.

You do not need proof of address or immigration status to register with a GP (a doctor or 'general practitioner') who is usually the first contact if you have a health problem.
